Dear Mead Students and Families:

Every day, I am impressed with the work our teachers at Mead High School do, and the extra efforts that they take to capture kids hearts. I hope that you see this too. Please take a moment in your busy day to capture the “special” teacher(s) in your child’s life. Teachers can be nominated by students, parents, community members, and colleagues by submitting a nomination form to the Education Foundation. The nomination form is on the Education Foundation’s website www.efsvv.org. Click on the word Programs on their home page, then Encore Award Program, and finally the nomination form. **Nominations must be received or electronically date stamped no later than March 15.**

Congratulations to the Mead Men’s basketball team on their win against Skyview High School on Saturday night. Mead advances to the Sweet Sixteen, and they will travel to Northridge High School on Wednesday night at 6:30 pm to face the Grizzlies. We would love to pack the gym in support of our Mavericks. See you on the court!

VISION AND HEARING SCREENING... could use some volunteers

We will be holding our annual vision and hearing screening for all 10th grade and new to district students on Thursday, March 2nd. If your student wears glasses or contacts, please make sure they have them that day as they will be needed for the screening. If you would like to help out that day, or have any questions, please contact Rachel Long at 720-494-3940 or long_rachel@svvsd.org.

GOOD SCHOOL ATTENDANCE MEANS...

SOCIAL MEDIA

Like many of you, we have noticed a spike in “negative” social media communication involving our students at Mead High School. We hope to partner with parents and our community to mediate and improve social media posts, likes, and chats about student issues. We are continuing to ask for your help with this important Mead HS community concern. You can help by talking to your child about the “right kind” of communication on social

media. If you would like to review some tools to help set boundaries with your child, then visit the following [link](#) for more information. Together, we can work to support good communication for our children while also partnering to keep our community, halls, and classrooms safe for all students. I hope you will partner with us by monitoring your child's social media use and communication.

STUDENT OPPORTUNITIES

1. The annual Rocky Mountain RYLA (Rotary Youth Leadership Award) conference is being held this year in June at the YMCA of the Rockies. This opportunity is open to next year's juniors and seniors by application only. You do not have to be part of Rotary to apply and be selected. This is a unique leadership opportunity and a wonderful add-on for a college and scholarship resume. Please visit www.rmRYLA.org for registration details. Our local Rotary club sponsors the cost for several students to attend each year. Please do not let funds get in the way of applying for this great opportunity. **The deadline is fast approaching.**

2.

Poster Contest

All of Colorado's K-12 students are invited to showcase their artistic talent and their commitment to the environment. Prizes for students and schools!
