

The logo for the AP Honors Program. It features the letters 'AP' in a large, bold font. The 'A' is blue and the 'P' is green. To the right of 'AP' is a registered trademark symbol (®). Further to the right, the words 'HONORS' and 'PROGRAM' are stacked vertically in a bold, black, sans-serif font. 'HONORS' is on the top line and 'PROGRAM' is on the bottom line.

AP[®] HONORS PROGRAM

“Deciding to take an AP course lets colleges and universities know that you have what it takes to succeed in an undergraduate environment. When admissions officers see “AP” on your transcript, they know that what you experienced in a particular class has prepared you well for the challenges of college. Taking AP is a sign that you’re up for the most rigorous classes your high school has to offer.”

-College Board

“To be competitive, challenge yourself by pursuing the most rigorous courses available that are appropriate to your level of ability in each academic area. The number of courses taken beyond the minimum requirements, as well as those designated as advanced, honors, gifted, or AP—will be considered in the admission process.”

Advanced Placement and Honors

Advanced Placement

Mead High School has had an outstanding Advanced Placement Program. This program is designed for students who wish to engage in an enriched academic program of studies with the potential to earn college credit. There are many benefits of taking AP courses. An AP curriculum helps students acquire the skills and habits they'll need to be successful in college. Students will improve their writing skills, sharpen their problem-solving abilities, and develop time management skills, discipline and study habits. Mead High School has exceptional AP teachers who are enthusiastic and highly committed to the AP Program.

Mead HS is proud to offer the following AP courses for potential college credit:
