Deadline for Fees and Registration for Fall Athletes is Aug 6. First Official Practice is Aug 6. All athletes must have turned in a current sports physical and paid their Athletic fee to be cleared to participate.

2018/2019 Participation Fees

- SVVSD/Mead HS are Pay to Play. Fees MUST be paid prior to participation.
- \$150 first sport; \$150 second sport and **\$120 third sport**, family maximum \$500 per school year.
- Students on Reduced Lunch benefits pay \$75.00, ½ fee for Athletics. Students on Free Lunch benefits pay \$37.50, ¼ for Athletics. (Students who qualify for Free/Reduced benefits must provide the verification letter sent from SVVSD or complete an Informational Release form to allow MHS to access confidential F/R status. If this information cannot be confirmed, the athlete will be required to pay the full amount prior to participation.) It is the philosophy of the MHS Athletic Department that students will not be denied participation due to economic hardship.

- Select Payments High School, choose the High School, then click Athletic Registration
