

Mead High School proudly presents the  
5th Annual Mead High School Veterans Day Assembly.

## **“I Am America”**

Mead High School cordially invites you to join us on on Monday, November 12<sup>th</sup>, 2018, 1:00-2:15 to honor our veterans and to celebrate the deep military tradition in Mead, Colorado and the surrounding area. We value your contribution, and please know, this is a richer experience because you are involved.

The assembly will include performances by the Mead High School Choir and Band, as well as guest speakers representing our armed forces. This year, the ceremony will focus on the American ideals of democracy, equality, opportunity, liberty, and rights. Our veterans have preserved these ideals abroad through their service. Our citizens preserve these ideals at home. Together, we will celebrate our individual efforts to preserve these ideals. The celebration will also provide an opportunity for Mead High School students to personally meet you and thank you for your service.

Due to limited parking, we respectfully request that veterans, families, and guests carpool so that we can accommodate everyone. Please park on the west side of the school in the large student lot, and enter the building through the gymnasium entrance. From 1:00-1:20, veterans will be led to a staging area and then properly introduced to the Mead High School student body at 1:30. We look forward to meeting you and your family. Thank you!

Please contact Mr. Martin Clark, Heidi Hendrix-Johnson, or Shannon Martenson at 720-494- 3940 if you have any questions.
