Interventionist

# Mead HS Staff

73% of our teaching staff have a Masters Degree or higher.

# Goals for Mead HS

Provide a safe, positive, and productive learning environment for each student

All students are prepared for postsecondary learning (ICAP, SAT, full course of study)

All students are engaged in a sport, performing art, school sponsored club, or program

Students take pride in being a Mead Maverick and leave productive citizens who are prepared for our advancing global society.

# Core Values

- Respect
- Integrity
- Resilience
- Responsibility
- Service

## THE MAVERICK WAY

### RESPECT

We will...

Maintain a positive and productive learning environment for all.  
Accept each other's differences and celebrate uniqueness.  
Take responsibility for the impact of our words and actions.

### INTEGRITY

We will...

Honor the academic process and each other's learning by consistently doing our best work.  
Consistently own our behaviors and practice honesty, kindness, and reliability.

### RESILIENCE

We will...

Persevere in pursuit of personal and academic excellence.  
Strive to overcome adversity and setbacks within ourselves and our community.

### RESPONSIBILITY

We will...

Take initiative in our learning and know when to ask for help.  
Cultivate a safe and inclusive environment for all.  
Follow school rules and report any unsafe or concerning behaviors.

### SERVICE

We will...

Seek opportunities to actively care for and connect with others.  
Find positive ways to contribute to our school and community.

*Excellence For All, From All*

**MEAD**  
HIGH SCHOOL
